Education

University of Chittagong, Chittagong

Jan 2020 – Nov 2025

B.Sc. Engineering in Computer Science and Engineering

- **CGPA: 3.79/4.00**
- **Thesis:** “Optimizing Multi-Hop Reasoning in RAG Systems: An Agentic Graph RAG Framework with Efficient Reranking”

Skills

- **Technical Skills**
Languages: JavaScript, Python, Java, C, C++, Assembly
Database Systems: PostgreSQL, MySQL, Oracle, MongoDB
Development: HTML5, CSS3, React.js, Express.js, Node.js, Next.js, Tailwind CSS, Firebase
Tools: Git, GitHub, ~~TeX~~TeX, Trello, Vercel
- **Soft Skills**
Problem-solving, Leadership, Team Management, Time Management, Quick Learner, Hard Working.

Certifications

Prompt Engineering for Everyone Course	2025
From Cognitive Class	
Complete Web Development Course	2024
From Programming Hero	

Projects

Certificate Withdrawal Management System

- Contributed to a university ERP system by designing database schema and automating the certificate request workflow, significantly reducing administrative workload and processing time.
- Technologies Used: React.js, Express.js, MySQL, Tailwind CSS.

BuildAura

- Built a full-stack building management system with role-based dashboards, automating agreements and Stripe payments, and integrating listings, coupons, and admin controls for efficient operations.
- Technologies Used: React.js, Express.js, Firebase, MongoDB, Stripe.

LeafLogic

- Developed an Android app using TensorFlow Lite for 85% accurate real-time and gallery-based medicinal leaf classification, featuring authentication, social posts, feedback, weather, location, and country insights.
- Technologies Used: Java, Android Studio, Firebase, TensorFlow Lite.

Problem-Solving

Solved 400+ problems across [Codeforces](#) and [LeetCode](#) demonstrating strong analytical and algorithmic skills.

Participations

Chittagong Science Carnival 4.0 (2025)

University of Chittagong

- **Winner of Hackathon** (as team)

6th National Girls' Programming Contest 2022 (2023)

Department of CSE, Daffodil International University

- **Rank: 79** (as team CU_FireFlies)
